6. Budget Presentation – Dr. David A. Roman, Superintendent of Schools and Mr. Michael LoBrace, School Business Administrator/Board Secretary.

Dr. Roman discussed the budget and the concern about staff positions which had to be reduced. He then discussed the State and Auditors role and the certifications of the budget by the State and the audit report and efficiency of the District’s fiscal management as evidenced in the most recent audit report. He continued by providing insight into how State and local funding numbers are determined and the impact of the Board’s decision over the past 10 years. Together with the increased costs and inadequate increase in revenue, the District is faced with difficult decisions.

Dr. Roman continued by discussing the previous year surpluses, the reason they existed and how, by creating effective budgets over the past two years, the will of the Board was accomplished. He then proceeded to provide in-depth detail regarding the impact from the lack of tax increases, their effect on next year’s budget, and then a comparison to other Districts throughout Middlesex County, as well as all SDA Districts around the State, with both comparisons showing how Perth Amboy has lagged in local funding for their school district.

Prior year surpluses were discussed as part of this year’s breakdown of all revenues and the net change to revenues next year. The next comparison compared the increases in planned expenditures budgeted, the majority coming from increases in health benefits, salaries, and tuitions. Dr. Roman also warned that absent tax increases, these problems may be present in subsequent years.

The budget presentation then put forth the list of positions no longer being funded, 100, and the number of staff impacted, 45. It was noted that all vacant teacher positions were funded in this budget. He then provided information regarding the cuts to Administration, a part of the budget already 25% below State Allowable costs. He concluded by discussing the District will attempt to re-hire staff as the budget allows.

7. Meeting open to the public for discussion of agenda items and non-agenda items. There will be only one public participation session at this meeting.
