Old Business

1). Second Reading of the following policy: **(Specified in Attachment)**

- 2416.01 Postnatal Accommodations for Students

Anderson                      George  
Motion                              Seconded

Mr. Anderson discussed Teacher of the Year awards in past years and requested information on any future consideration.

The Superintendent responded that the pandemic ended those practices, then the will of the Board, decided to have those presentations in the schools in front of the students, with the ability for those teachers to invite their family members. If the will of the Board changes, it can certainly be discussed and considered for next year.

Mr. Anderson presented his comments on the QSAC report and comparison to other districts in Middlesex County and his interpretation of how low those scores are relative to other county districts.

Dr. Roman pointed out the inconsistencies in these comments and pointed out comments made at the last Board meeting regarding a 100% increase in Administrators.

President Peralta agrees all Principals are doing their best although there is surely always room for improvement.

Mr. Marte discussed the teachers do their jobs, but efforts from the parents are also needed to help move along student progress.

Vice President Gonzalez commented on the rapidly changing State standards and the number of tests given, along with the additional paperwork and the time it takes away from teaching, as we continually ask students to do more. We are all here for the same and should appreciate the work we all do, including our leaders.

All in favor.

New Business

1). First Reading of the following policy: **(Specified in Attachment)**

- 5112 Entrance Age

Anderson                      Gonzalez  
Motion                              Seconded

President Peralta thanked the Administration for the change, knowing the difference even this minor change makes to some parents.

All in favor.

2). RESOLUTION TO ACCEPT AND APPROVE THE DISCIPLINARY RECOMMENDATIONS FOR STUDENTS ID# XXX099 and XXX050

Approval to maintain students ID# XXX099 and XXX050 on home instruction pending placement in an alternative setting, as recommended by the Student Disciplinary Committee at the hearing conducted on Thursday, April 27, 2023.

George                              Gonzalez  
Motion                                  Seconded

All in favor

Dr. Roman addressed the parent who commented in the sex education curriculum, and he denoted the State of NJ curriculum cannot be changed, except where allowed, which the District has when presented the opportunity. He reiterated, the one thing we cannot do is deviate from this curriculum.

The Board attorney confirmed this fact and added these requirements are part of the assessments from the State of NJ. She continued, the parents must be aware of their rights to opt their children out of this curriculum, and the many ways this can be done were presented by Dr. Damian Medina.

Mr. Marte informed the public that student-athlete dismissal times and feeding procedures for these students are being reviewed. Dr. Roman confirmed that these are being reviewed and that all students are offered meals and snacks while considering the concerns for cramping.

President Peralta congratulated all teacher and support staff of the year winners and wished everyone a happy and restful long Memorial Day weekend, as well as all mothers, a happy Mother's Day.

**POLICY GUIDE****STRAUSS ESMAY ASSOCIATES****PROGRAM****2416.01 POSTNATAL ACCOMMODATIONS FOR STUDENTS****2416.01 POSTNATAL ACCOMMODATIONS FOR STUDENTS**

The Board of Education recognizes students may be returning to school shortly after their child's birth and may need to breastfeed their child or to express breast milk during the school day. The school district will accommodate a student who wants to breastfeed or express breast milk while attending school in the district.

A student shall be permitted to breastfeed their child or to express breast milk while attending school in accordance with a schedule provided by the student to the school nurse, who shall consult with the Principal or designee. The district encourages the student develop a schedule that does not impact a student's instructional time and encourages a student to schedule such time to breastfeed or to express breast milk during study hall time, lunch time, or other non-instructional times of the school day. The student may bring to school a breast pump and any other equipment necessary to express breast milk on school grounds. The student shall not incur an academic penalty for using any reasonable accommodations offered to the student and shall be provided the opportunity to make up any work missed due to such use.

The Principal or designee, in consultation with the school nurse, will designate a lactation/breastfeeding room that is shielded from view and free from intrusion by other students, staff members, and the public. The location must be functional as a space for breastfeeding or expressing breast milk and shall include an electrical outlet, a chair, and nearby access to running water. Expressed breast milk may be stored in a refrigerator in the school building or in the student's personal cooler. If the space is not a dedicated lactation/breastfeeding room, it must be available when needed. A space temporarily converted into a lactation/breastfeeding room or made available when needed by the student is sufficient; however, a bathroom, even if private, is not a permissible location. A student opting to breastfeed their child in the lactation/breastfeeding room will be responsible to make arrangements for their child to be brought to the school in accordance with a time schedule agreed to by the Principal or designee.

All staff members will assist in providing a positive atmosphere of support for students who are returning to school after the birth of their child. Conduct by a staff member or student that reasonably interferes with a student's performance in school; creates an intimidating, hostile, or offensive environment for a student that is complying with the provisions of this Policy; or that inhibits a student's ability to breastfeed their child or express breast milk while in school will not be tolerated.

The Principal shall ensure Policy 2416.01 is distributed to pregnant students and students who are returning to school after the birth of their child.
