5. Student Representatives – Kevin Chavez and Jadelyn Cardenales

- Ms. Cardenales reported that she is proud that our high school has been named a School of Character. There are only two schools in the state that have been awarded this honor as well as a National School of Character. It's a good, healthy, environment at the school.
- Ms. Cardenales reported that she will be attending East Stroudsburg University in the fall, majoring in biomedical technology.
- Mr. Chavez reported that the senior prom was amazing. It was a great way for everyone to get together. Today they had graduation practice which went well. He will be attending Middlesex County College for two years and then either Kean or Montclair to major in musical theater.
- It was stated to the student reps that they are part of the most prominent graduation class with the highest graduation rate. You are wonderful young adults and leaders. On behalf of the Board and Central Administration they were presented with a token of appreciation to help them continue their journey.

6. Meeting open to the public for discussion of agenda items only.

- Public member #1 – stated that there are over 90 teachers this year who have resigned. It is happening at unprecedented rates. One teacher was Teacher of the Year who deserved better. He's leaving because of poor treatment he received. How can a teacher receive a poor grade for his summative evaluation, which he shared with us? The current vacancies are hurting us. Italian classes have been running on Rossetta Stone; the ESL Program is mainly substitutes and the Special Education Program is bare bones.
- Public member #2 - started a petition and has 1,007 signatures and counting. We need more representation of the student body to work with the Board of Education. Our concerns are how education is put first with no stability in staff or administration. We've had three principals at the high school in five years. We're told that teachers are leaving because of the money, but the ones that are leaving say otherwise. There's a lack of teachers in student areas. In the AP areas we only have four teachers, none in ESL and Italian is a computer program.
- Public member #3 - provided a proposal for the 2020-2021 school year on behalf of the students. We'll like joint meetings with the Board of Education, students and administration. This will spark discussion with regards to issues at the school. Selected students will attend based upon club participation.
- Public member #4 - is the Class President. The district as a whole is not doing their job in supporting the staff. The construction never finishes. We have weird smells and loud noises. They are distractions. A lack of support staff which led to resignations. Teachers have no say in their classes. Classes and fine arts are being cut. The High School Choral recently won four trophies

and the play also won awards so why are they not recognized? We're not prepared for the future if we don't fix what is currently happening.

- Public member #5 - came to the United States two years ago. Three teachers changed her life in the high school, gave her confidence and the guidance she needed. In one year she left the ESL Program and joined the general education and is in the Honors Program. She's also President of the NHS. Who wants to leave a legacy in Perth Amboy? How would we do that if the teachers that help us leave us and we only have substitute teachers. How can we change Perth Amboy if the great teachers are leaving us?
- Ms. Machado addressed the students. We are very proud of you for your courage and sense to speak to the Board of Education. I'll be proud to mentor you. The issues you've raised are personnel issues and are limited in what the board members can speak of. They heard you loud and clear, you have put forth proposals and we encourage you to discuss them with the principal and the vice principal, with the student advisory council and come to these meetings to voice your opinions and ideals.
- Ms. Marquez-Villafañe stated that she started by sitting in your seats and trying to bring change. We cannot comment on some of your issues. You can email us and we'll provide them to the right person to get you the answers you need. Change is possible, never give up. I'll do my best to see that your concerns are addressed on this side of the table.
- It was then stated that we have opportunities for you to speak to the right person on various topics. We want you to hear all information to see another perspective. We had a 59% graduation rate and that means only half of the people here tonight would have graduated. Now we're at 80.1%. You did a nice job explaining yourself tonight, we look forward to further discussions with you.

4). Student fundraising report.

B. Board President’s Report – Mr. Kenneth Puccio

- Mr. Puccio offered condolences to those staff members who lost a member of their family over the past month.

C. Superintendent’s Report – Dr. David A. Roman

- We reached a tentative agreement with the AFT on the contract. The staff has done a wonderful job to get where we belong and we’re very happy. We commend PAASA as they opened their contract and understood the need to do it. They are dedicated and it only took two meetings to resolve. The board did an outstanding job to work with central office to achieve the common good. Thank you.
- The opening in September will be seamless.
- There are a number of people that are being promoted from within and it’s a testament to looking for talent within us. Most of these people started as teachers.
- This is Mr. Chromey’s last meeting; he’s helped the district to achieve goals to get us to where we’re at now. He’s a phenomenal administrator, educator and human being.
- Also on this evenings agenda, we will accept the retirement of an eloquent, sophisticated administrator in our district. If not for Dr. Rodriguez we wouldn’t be here at this time. She is the steadiness of the district because we cannot find a principal for the high school. She will be the principal in name and will be there every day until we find someone.

- Public member #1 - reflected on what was said earlier. Thanks for hearing us on our issues. We must bridge the gap between the students, the board and the administration. We hope you look over the proposals given to Dr. Roman and provide feedback. We'll like to address personnel issues and dealing with them will help address student issues. I look forward to the Special Education Program as my sister is in the program and they need a new push to be successful.
- Public member #2 - started the petition. Thanks to the board and the kids, we hope you give us more representatives on the board. The students deserve change, not false promises and need transparent answers.
- Public member #3 - stated it's important to spark discussion between the students, administrators and board. We look forward to working with the new principal at the high school.

- Mr. Puccio thanked Mr. Chromey for his time in Perth Amboy. He was the perfect fit, he complimented Dr. Roman and central administration. He was the right guy and the right time. You helped them move along. You were always steady.
- Mr. Chromey said it was an honor and privilege to work here for his last few years. He came for unusual reasons and found a home. Growth and change were made because of the hard conversations, which we all welcomed. He remembers a conversation with Mr. Nieves who stated, it takes time and energy to turn around a large ship. We have turned this place around. We have the right crew and captain.

EVELYN ARVELO

RE: **PERS** #1033722

Dear Evelyn Arvelo:

The Board of Trustees of the Public Employees' Retirement System (PERS) at its meeting of May 15, 2019 considered and approved your application for **Ordinary Disability retirement** benefits **effective February 1, 2019** under Maximum pursuant to N.J.S.A. 43:15A-42 and relevant case law.

Changes to your application should be made through MBOS; however, if you are unable to make the change through MBOS, you must provide a written statement to the Retirement Bureau within 30 days from the date of board approval or the date of retirement, whichever is later.

Once the Board approves a member for a disability retirement allowance; the member's retirement application shall not be withdrawn, cancelled, or amended to a later retirement date than the date specified in the approved retirement allowance.

If a member continues to receive a salary beyond the effective date of retirement, no retirement benefits shall be paid for the period where the member received salary and no salary or service credit shall be provided for the service rendered after the approved effective date of retirement. In addition, the employer shall be required to complete an updated Certification of Service and Final Salary.

The statute permits the Board of Trustees to require a disability retiree to undergo medical examinations to determine if they continue to be totally and permanently disabled and therefore eligible for continued receipt of a disability retirement allowance.

If in the future you consider returning to a position either in private industry or public employment, be advised that your retirement allowance as a disability retiree is subject to adjustment if your earnings from employment after retirement exceed the difference between the pension portion of your retirement allowance and the salary attributable to your former position.

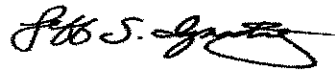

Pension laws require reenrollment of a retiree under certain conditions. Retirees needing guidance on returning to employment should visit our web site at: www.nj.gov/treasury/pensions and refer to the Fact Sheet on post-retirement employment restrictions. Retirees needing additional clarification should contact the Division to determine the impact a return to employment would have on their disability retirement benefits.

The Ordinary Disability retirement benefit is not reduced by any Social Security, Workers' Compensation, or private insurance benefits that may be payable. However, any Workers' Compensation award you receive may be reduced. See your employer for details.

The approval of your retirement benefits is expressly conditioned upon the rendering of honorable service during your public employment. If any criminal or administrative charges are found after the date of this notice, your retirement benefits may be held in abeyance until the charges are fully adjudicated or the Board is satisfied pursuant to N.J.A.C. 17:1-6.2.

Sincerely,

Jeff S. Ignatowitz
Secretary, Board of Trustees
Public Employees' Retirement System
