RE: **TPAF** #445959

Dear Darlene Albarran:

The Board of Trustees of the Teachers' Pension and Annuity Fund (TPAF) at its meeting of May 7, 2020 considered and approved your application for **Ordinary Disability retirement benefits effective August 1, 2019** under Maximum pursuant to N.J.S.A. 18A:66-39 and relevant case law.

Changes to your application should be made through MBOS; however, if you are unable to make change through MBOS, you must provide a written statement to the Retirement Bureau within 30 days from the date of board approval or the date of retirement, whichever is later.

Once the Board approves a member for a disability retirement allowance; the member's retirement application shall not be withdrawn, cancelled, or amended to a later retirement date than the date specified in the approved retirement allowance.

If a member continues to receive a salary beyond the effective date of retirement, no retirement benefits shall be paid for the period where the member received salary and no salary or service credit is provided for the service rendered after the approved effective date of retirement. In addition, the employer shall be required to complete an updated Certification of Service and Final Salary.

The statute permits the Board of Trustees to require a disability retiree to undergo medical examinations to determine if they continue to be totally and permanently disabled and therefore continued receipt of a disability retirement allowance.

If in the future you consider returning to a position either in private industry or public employment, you are advised that your retirement allowance as a disability retiree is subject to adjustment if your employment after retirement exceeds the difference between the pension portion of your retirement allowance and the salary attributable to your former position.

Pension laws require reenrollment of a retiree under certain conditions. Retirees needing information on returning to employment should visit our web site at: www.nj.gov/treasury/pensions and read the Information Sheet on post-retirement employment restrictions. Retirees needing additional clarification should contact the Division to determine the impact a return to employment would have on their disability retirement benefits.
