- Ms. Marquez-Villafañe wished all staff and students a successful new year. She congratulated the Superintendent for all the achievements that have happened and will continue to happen.
- Mr. Massopust asked if we have contacted the family of Mrs. Lopez to get a picture for the new school with a summary of her life so that we can be respectful. It was stated that Mr. Nieves will be reaching out to the family for the information.
- Ms. Lebron stated that there will be a new playground constructed at Dalton Park which is by the Flynn School. On September 7th they are having a builder’s day and are asking people to come out and volunteer their time to build the playground. Ms. Vazquez stated that they are in need of 200 to 300 volunteers.
- Mr. Iglesia stated that with the opening of the new school, we need to be mindful of the community when we are choosing the date and time for the ribbon cutting ceremony. It was stated that we will first get dates from the board members and then we’ll provide those dates to the SDA. They have protocols that they need to follow as well and hopefully we’ll meet somewhere in the middle.
- Mrs. Southward and Mr. Kacso discussed the traffic and the opening of the Rose Lopez School. It was stated that in order for Seaman Avenue to become a one-way street, an ordinance must go through three council readings. The first reading has already taken place with the second and third readings to take place during September. Seaman Avenue will be buses only during arrival and dismissal times. We will have off duty police there to help with the facilitation of traffic. There is a detailed plan for all parents to drop off their children and how to exit at the beginning and the end of the day. We hope to eliminate the bottle neck of traffic to keep travel on New Brunswick Avenue open. Currently Seaman Avenue will be a one way from 7:00 am – 9:00 am and 2:00 pm – 4:00 pm so that we can facilitate the drop off and the pickup of students. The Police Department will help and it will be a two-way street in between these times until the change goes into effect at the end of September. We’re asking everyone to please be patient with us.
- Ms. Vazquez stated that everywhere in the state, the first two days are hard on transportation. We ask you to please be patient with our Transportation Department. We will publish the phone number for the transportation department to enable you to reach them directly with any transportation issues.
- At this time Mr. Jess read a resolution provided by the Schools Ethic Commission regarding former board member, Mr. Varela.

Whereas, based on the findings of fact and legal conclusions in his Initial Decision, ALJ Masin recommended that Respondent Varela be censured, and that Respondent Puccio be suspended for sixty days or, in lieu of suspension (or of some portion thereof), Respondent Puccio be replaced as Board President by another member chosen by the County Superintendent; and

Whereas, at a special meeting on May 2, 2019, the Commission also voted to adopt the recommended penalty of censure for Respondent Varela; to modify the recommended penalty of suspension for sixty (60) days for Respondent Puccio to suspension for one (1) year; and to reject ALJ Masin's recommendation that, in lieu of suspension, Respondent Puccio should be removed as Board President; and

Whereas, by decision dated June 18, 2019, the Commissioner of Education (Commissioner) concurred with the penalty recommended by the Commission for Respondent Varela's failure to comply with the district's visitor policy and for his improper interference in the day to day functions of school personnel; and

Whereas, *N.J.A.C. 6A:28-10.12(d)* provides that for a penalty of censure, suspension or removal, a Resolution shall be adopted at the Commission's next meeting following the Commissioner's decision, and the Resolution shall be read at the Board's next public meeting following adoption by the Commission, and shall be posted in such places as the Board posts its public notices for thirty (30) days; and

Now Therefore Be It Resolved, that the Commission adopts this Resolution stating that Respondent Varela is hereby **Censured** as a school official as a penalty for having violated the cited provisions of the Act (as set forth above); and

Be It Further Resolved, that the Board is ordered to read this Resolution at its next regularly scheduled public meeting following the Commission's adoption on June 25, 2019, and to post it in such places as the Board posts its public notices for a period of thirty (30) days.

I hereby certify that the above Resolution
was adopted by the School Ethics
Commission at its meeting on June 25, 2019.

Kathryn A. Whalen, Director
School Ethics Commission

- Mrs. Machado stated that this does not apply to Mr. Puccio as his case is under appeal and the Administrative Law Judge has not yet ruled on his case.
- It was stated that our board has served with dignity, hard work and integrity. Mr. Puccio is a veteran, a retired police officer, was a detective and a Dare Officer for many years and is a Board member. Thank you for your integrity and we look forward to working with each and every one of the board members as we move forward.

Congratulations on your retirement. The Board of Trustees, at their regular meeting on June 19, 2019, approved your application for **Service Retirement effective May 1, 2019**. (In accordance with your selection of the maximum retirement option which provides no survivor's benefit).

In accordance with law, you have until thirty days after (A) the effective date of your retirement, or (B) the date your retirement was approved by the Board of Trustees, whichever is the later date, to make any changes to your retirement. Also, your first check cannot be mailed until after this thirty day period. However, the benefit will be retroactive to the original effective date of your retirement. Please allow an additional period for the disbursement and delivery of the check by the federal postal authorities.

If you are considering working after retirement, you should be aware of the restrictions imposed by law and regulations governing post-retirement employments. It is your responsibility to inform your prospective employer that you are receiving retirement benefits from a New Jersey public retirement system, and to understand the impact employment will have on those retirement benefits. In some instances, your retirement benefits may be suspended or even cancelled entirely, and if this occurs, you will be responsible for the repayment of any benefits you were not entitled to receive. You may also be required to re-enroll in your former retirement system or a different retirement system, and make pension contributions to that system.
