

June 2022

Dear Parents, Guardians, and Students,

Perth Amboy Public Schools is committed to promoting Mathematics throughout the summer months in order to enhance each student's mathematical proficiency and to further develop their mathematical understanding. Although your child has acquired new skills during this school year, he/she may lose ground if a review of the grade level concepts and skills does not continue over the summer!

This summer, your child is being asked to complete a math summer packet online similar to remote learning. Completion of the summer math packet will result in extra credit points to begin the year! The summer Math packet will be due by **September 14, 2022**. To access the summer math packet, please click on the appropriate grade level link below.

Parents are strongly encouraged to work with their children on these packets. When parents stay closely involved in their child's academic life, positive results can be sure to follow. Let's work together – as parent, teacher, and student – to ensure a productive beginning to a successful school year this fall.

[Current Geometry Student - Entering Algebra 2 in Sept. 2022](#)

[Current Algebra 2 Student - Entering Pre-Calculus in Sept. 2022](#)

[Current Pre-Calculus Student - Entering Calculus 1 Honors or AP Calculus AB in Sept. 2022](#)

[Current Calculus 1 Honors or AP Calculus AB Student - Entering AP Calculus BC in Sept. 2022](#)

Have a safe, happy, and healthy summer!

Regards,

The Perth Amboy School District Math Department
